

# Selerix ACA Services

## A MORE PROACTIVE APPROACH TO ACA

Everyone knows the costs of ACA non-compliance are high. Selerix takes a proactive approach to ACA, ensuring that our clients are confident that they're compliant throughout the year.

## How Do We Do It?

- **Quarterly client reviews** on the health of their ACA data to keep clients informed on their compliance status
- **Automated 1095-C code population** and convenient electronic IRS submission takes the headache out of filing season
- **Expert team ready to help clients** with challenging situations such as life events, new hires, terminations, re-hires, and part-time variable employees
- **Real-time insights** into tracking workforce eligibility provides an ongoing snapshot and ACA outlook throughout the year
- **Hands-on assistance** to resolve errors from current and prior years

“With the addition of the ACA module, Selerix allowed us to meet the required deadline and the process was much easier than expected. Selerix has been a life saver!”
