

Keep ACA Simple. Keep ACA Compliant.

**TIRED OF WRESTLING WITH
CONFUSING TOOLS, MISSED
DEADLINES & SURPRISE PENALTIES?**

Juggling confusing solutions that leave you unsure about compliance? Worried about fines, missing deadlines, or lacking support? Selerix makes integrated ACA compliance simpler — without the complexity or cost of a standalone solution. With our integrated ACA module, you can track, report, and stay compliant with confidence.

Smarter, Friendlier Benefits Compliance

What If Compliance Met Convenience?

- **Clear, Real-Time Data:** Access accurate benefits enrollment info instantly—coverage dates, waivers, eligibility — so you're always in the know.
- **Automated, Accurate Reporting:** Say goodbye to manual form filling. Selerix automatically generates and updates your 1095-C forms, reducing errors and saving time.
- **Proactive Compliance Alerts:** Get real-time notifications for affordability, coverage offers, and eligibility issues before they become costly fines.
- **Built for Complexity:** Whether you're managing multiple plans, locations, and flexible eligibility rules, our solution flexes to fit your needs.
- **Complete Audit Trail:** Maintain detailed history of employee benefits elections and employer actions, crucial for audits and peace of mind.
- **Human Support, Start to Finish:** Our tenured ACA experts and dedicated success managers are in your corner, helping you navigate compliance with clarity and confidence.
